

# Developing a strategy to respond to Apprenticeship funding challenges

## WEBINAR:

14<sup>th</sup> March 2012

10.30 – 12.30

OR

14.30 – 16.30

**COST** per delegate:  
£45 ACER members  
£55 non-members

Facilitator:  
Gordon Ridland -  
a former WCS  
consultant with an  
established track  
record in this field.

We are all aware of the impact of changes to the National Funding Rates on Apprenticeships Funding and might feel that we can live with a 2% or 4% reduction.

But are we aware of the more profound impact that SASE and QCF are having on the Funding and Profitability of Apprenticeships?

On top of this we have the prospect of the new streamlined funding matrix for Adult Skills which again has the potential to significantly impact funding and profitability.

How you respond to these changes will have a direct bearing on your organisation's bottom line.

Join us for this web seminar and we will help you to develop an informed strategy and plan that delivers improved results for your organisation in this area.

## Who should attend?

**Finance and Apprenticeship Managers** responsible for the planning, delivering, administering, monitoring and reporting on Apprenticeships.

Delegates will benefit from a two hour interactive web seminar.

A lively discussion with colleagues from other providers is a feature of these sessions.

Delegates will receive free copies of a range of practical analytical tools that will support:

- Strategy development;
- Contribution analysis;
- Implementing change.

To book your place at this event, please complete a booking form and return it to [christine.stewart@acer.ac.uk](mailto:christine.stewart@acer.ac.uk). For more information about the event, contact Christine on 01480 468198 or visit our website - [www.acer.ac.uk](http://www.acer.ac.uk).
